FUNTO●

Projects:
Summer – Autumn 2025

Sameday Logistics

Transport Logistic Munich 2025

Dynamic exhibition space featuring motorsport heritage and logistics innovation.

The Society of Japanese Aerospace Companies

Paris Air Show

A technical aerospace display with integrated screens, product showcases, and concrete-effect structures.

Tokyo Teshigoto

Maison & Object Paris

A multi-island exhibition stand featuring illuminated bases and suspended branding elements created for a premium craft showcase.

Biocomposites

EBJIS, Bologna

A modern Biocomposites booth combining product displays, integrated lighting, and a focused meeting area.

Japan Rice

Anuga Cologne

A large exhibition stand promoting Japanese rice quality with high-level branding, tasting counters, and product visuals.

Delicious Japanese Rice

Anuga Cologne

A product-focused rice industry booth with colorful packaging displays and a central graphic wall highlighting key brands.

Welna

Anuga Cologne

A compact food-industry booth showcasing Japanese tempura products with large textile graphics and warm wooden framing.

Biocomposites

DKOU Berlin

A clean medical-technology stand with illuminated product showcases, seating areas, and a bright green visual identity.

Japan National Tourism Organization

TTG Rimini

Large-scale national stand blending traditions with contemporary design.

Tokyo Convention & Visitors Bureau

WTM London

A tourism presentation booth with modular seating units, illuminated accents, and panoramic city visuals.

Japan National Tourism Organization

WTM London

A Japanese-themed stand featuring lantern walls, wooden framing, and bright red meeting zones designed for travel and cultural promotion.

Japan National Tourism Organization

IBTM Barcelona

A Japanese-themed meeting area with decorative wall structures, coordinated lighting, and red-carpet zoning.
